## Our Story

On Stage Vacaville is a non-profit organization established in 1999 at the request of the City of Vacaville's Community Services Department for the purpose of supporting the Vacaville Performing Arts Theatre.

OSV represents a collaborative team of community minded citizens who are committed to staging, showcasing, promoting and underwriting superior entertainment in our theatre.

The sounds of music, laughter, and applause resound as the Theatre is used by more and more groups and organizations in the community. On Stage Vacaville seeks to find ways to bring new ideas and programming to the Theatre, to reach out to even more community groups, and to expand our means of informing Vacaville and the surrounding area about the outstanding programming at the Vacaville Performing Arts Theatre. To do this, On Stage Vacaville has set ambitious but attainable goals.

It has been 20 years since the grand opening of our beautiful theatre, and ten since On Stage Vacaville sponsored the first season show with Peabo Bryson. Since that time more than 60 national touring artists have performed at VPAT, many of whom are rarely available to be experienced in an intimate 500 seat theatre.

Included among the national touring artists appearing at the Vacaville Performing Arts Theatre in the past ten years are:

**America, Boys 2 Men, Sergio Mendes, Big Bad Voodoo Daddy, The Smothers Brothers, Los Lobos, Lou Rawls, George Winston, Tony Orlando, Kathy Mattea, Debbie Reynolds, The St. Petersburg Ballet, The National Acrobats of China** and many others.

Many of these groups and individuals have commented on the impressive quality of the acoustics of our theatre.

Besides the national and world quality talent coming to the Theatre, many school and community groups are calling VPAT home. The Theatre is now booked for use an average of 200 days a year with a 75% average of revenue producing dates. In just ten years the Theatre has become a true community theatre and asset.
